RE: Partial Termination of Suspension of Liquidation in the CVD investigation of certain passenger vehicle and light truck tires from the PRC pursuant to the amended preliminary determination (C-570-017)

1. On 12/01/2014 (79 FR 71093), Commerce published in the Federal Register its preliminary affirmative determination. See message 5043309, dated 02/12/2015. On 12/30/2014 (79 FR 78398), Commerce published in the Federal Register its amended preliminary determination in the countervailing duty investigation of certain passenger vehicle and light truck tires from the PRC. See message 4365301, dated 12/31/2014.
2. The amended preliminary determination suspended certain requirements for the exclusion of trailer tires from the scope of this investigation. Specifically, it suspended requirements (6)(d) and (e). Accordingly, CBP should terminate the suspension of liquidation for all shipments of certain passenger vehicle and light truck tires from the PRC which were entered, or withdrawn from warehouse, for consumption beginning on 09/02/2014 that meet exclusion requirements (6)(a)-(c) but do not meet the requirements of items (6)(d) and (e). See message 4365301, dated 12/31/2014. All such entries should be liquidated without regard to countervailing duties (i.e., return all cash-deposits).
3. Do not liquidate entries of certain passenger vehicle and light truck tires from the PRC that meet the amended scope of the investigation until specific liquidation instructions are issued.
4. The interest provisions of section 778 of the Tariff Act of 1930, as amended, do not apply.
